Welcome to the Highland Pottery Fair

Thank you for visiting the very first Highland Pottery Fair!

This year's fair is a vibrant celebration of creativity and craftsmanship in the heart of the Highlands at WASPS Inverness Creative Academy – bringing together talented makers and pottery lovers under one roof.

The amazing mix of potters from the Highlands and beyond offer everything from traditional wood-fired stoneware and hand-thrown pieces to bold contemporary ceramics, sculptural work and experimental glazes. I hope there's something here to delight every eye!

A huge thank you to my family of wonderful volunteers and to the fair's supporters – **Kiln Share**, **L&L Kilns** and **Potclays** – your help has made the Highland Pottery Fair 2025 possible!

Take your time to explore the hall, chat with the makers, and soak up the passion poured into every piece on display.

Enjoy the fair!
Mike
