Welcome to the Highland Pottery Fair

Thank you for visiting the second Highland Pottery Fair!

After the wonderful response to last year's inaugural fair, I'm delighted to welcome you back to WASPS Inverness Creative Academy for another celebration of creativity and craftsmanship in the heart of the Scottish Highlands.

Showcasing potters from the local area and across Scotland, you'll find everything from wood-fired pottery and wheel-thrown pieces to modern ceramics and striking colourful sculpture. I hope there's a piece or two you'll want to take home and cherish for a long time.

A very special thank you to my amazing family of volunteers and to the fair's supporters – **Kiln Share**, **L&L Kilns** and **Potclays**. Your generous support is helping to celebrate Highland ceramics!

Take your time to explore the hall and delight in being surrounded by great pottery and the talented makers.

Enjoy the fair!
Mike
